## **PROVIDER BULLETIN**

### **CHDP PM160 UPDATE**

---

Below is information you may have read or seen regarding the changes to fee for service Medi-Cal CHDP billing effective July 1, 2017.

The Health Plans require that providers continue to submit the PM160 with the CMS1500 for managed care CHDP visits until further notice.

---

#### **Change to Fee for Service Only:**

Child Health and Disability Prevention (CHDP) providers who bill CHDP will start billing services directly to Medi-Cal in accordance with HIPAA national standards. Transitioning from billing two-character CHDP codes on the *Confidential Screening/Billing Report* (PM 160) to billing with CPT-4 national codes on the CMS-1500 or UB-04 claim form, or electronic equivalent, will occur in two phases:

- Phase 1:** Transitions clinical laboratory-only services effective for dates of service on or after February 1, 2017.
- Phase 2:** Transitions the remaining CHDP services with effective dates of service on or after July 1, 2017.
