MANDATORY TRAINING

LA Care’s Mandatory Cal MediConnect Training Assessment

L.A. Care Health Plan is launching the 2016 Cal MediConnect (CMC) Training for Primary Care Providers (PCP), Specialists and all staff including NP/PAs. This is a **mandatory** annual training for all contracted physicians and staff for the CMC line of business and must be **completed on or by 3/31/17**.

Follow these steps for provider compliance:

1. View the full training at our website: www.preferredipa.com , go to tab “Provider Services” then click “Provider Reference Materials”. The training will be listed as: LA Care CMC Training Assessment 2016.
2. Take the assessment at the end of the training to complete this requirement. Upon completion the assessment will be automatically emailed to LA Care Health Plan.
3. Congratulations! You have completed the requirement.

Helpful Tips:

-Complete all fields, do not leave anything blank.

-Type in your full name.

-Type in your clinic address.

-**VERY IMPORTANT** for Box #8 on the assessment, be sure to type the Physician name and Preferred IPA.

Example: John Smith, MD/Preferred IPA

Should you need any assistance or require additional information please contact any of the Provider Representatives below.
